Front Pattern Pieces

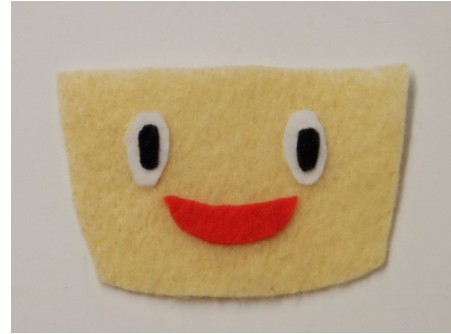

Back Pattern Pieces

Step 1 - To make the front of the cupcake, sew or glue black inner eye piece in centre of white outer eye piece.

Step 2 - Sew or glue eyes and mouth piece in place on cake case piece.

Step 3 - Overlap the 1st layer piece over the top edge of the cake case and sew in place.

Step 4 - Overlap the 2nd layer piece over the top edge of the 1st layer piece and sew in place.

Step 5 - Overlap the 3rd layer piece over the top edge of the 2nd layer piece and sew in place.

Step 6 - Overlap the 4th layer piece over the top edge of the 3rd layer piece and sew in place.

Step 7 - Pin star piece in place behind the 4th layer piece using the picture as a guide. Sew the joining edges together to keep the star in place.

Step 8 - To make the back of the cupcake repeat steps 3 to 7 using the back pieces

Step 9 - Pin the two completed pieces wrong sides together. Sew around the outside, leaving a small gap for stuffing with toy filling. Lightly stuff the cupcake then sew gap closed.
