

Sweet & Quick Marshmallow Pin Cushion

100% Calorie Free Sewing

This cute little Marshmallow is simple and quick to make. It can easily be customised using different colours or by enlarging the pattern to make your Marshmallow as big as you like. The Marshmallow pattern could also be used to make play food.

Ingredients needed -

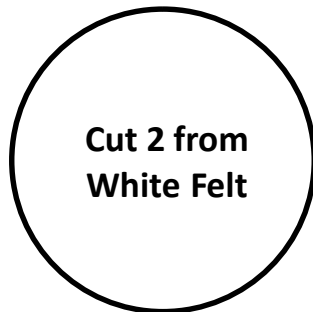

White Felt

Light Pink Felt

Toy Stuffing

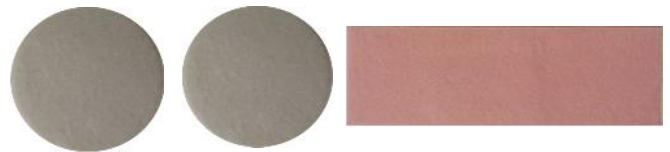

Light Pink Thread

Simple Sewing Kit

Cut 1 from
Light Pink Felt

Step 1 - Using the pattern cut out 2 circles from white felt and 1 rectangle from light pink felt.

Step 2 - Sew the long side of the rectangle around the outer edge of a circle to create a base.

Step 3 - Leave the shorter sides of the rectangle open and repeat step 2 with the other circle to create a tube shape.

Step 4 - Stuff the tube with toy stuffing through the open side section of the tube. When you are happy with the fullness of your Marshmallow sew up seam.
