

Make a Personalised Cushion Cover

- Materials needed-
- 30cm x 30cm cushion inner
 - Main cover fabric
 - 4 x Contrasting fabrics
 - Letter fabric
 - Calico
 - Contrasting ribbons & ricrac
 - Embroidery Thread
 - Sewing Machine
 - Sewing Kit
 - Bondaweb

From your main fabric cut out rectangles measuring 32cm x 32cm and two measuring 20cm x 32cm. This already includes a 1cm seam allowance.

From contrasting fabric 1 cut out 2 pieces measuring 11cm x 20cm. This will be pieces C1F and C1B.

From contrasting fabric 2 cut out 1 piece measuring 11cm x 14cm (this will be piece C2F) and 1 piece measuring 11cm x 20cm (this will be piece C2B.)

From contrasting fabric 3 cut out 1 piece measuring 11cm x 14cm (this will be piece C3F) and 1 piece measuring 11cm x 20cm (this will be piece C3B.)

From contrasting fabric 4 cut out 2 pieces measuring 11cm x 20cm. This will be pieces C4F and C4B.

Front Panel: Place largest main rectangle right side up on a flat surface and pin C1F to the top left corner. Pin C2F in the top right corner overlapping the edge of C1F. Pin C4F in the bottom right corner and finally pin C3F to the bottom left corner. Sew pieces in piece using a zigzag stitch.

Back Panel 1: With right side facing up, pin C1B across the top and C3B along the bottom. Sew in place using a zigzag stitch.

Back Panel 2: With right side facing up, pin C2B across the top and C4B along the bottom. Sew in place using a zigzag stitch.

Sew various matching coloured ribbons and ricrac along the zigzag stitching to decorate.

Lettering: Iron Bondaweb onto your chosen letter fabric. Cut out letters and iron in place across the centre of the front panel.

Tag: Cut out tag shape from calico fabric. Hand embroider a 'Love From' message. Use Bondaweb or glue to attached to cushion cover remembering to leave enough room from the edge to sew the cushion cover together.

Hemming Back Panels: Hem left edge of Back Panel 1 and the right edge of Back Panel 2.

Sewing together: With front cushion cover piece right side up, pin on top back panel pieces making sure the hemmed edges are in the middle. Sew completely around the edge. Turn cushion cover right way out and insert cushion inner.
